EDUCATOR'S CLUB

Castro Valley Businesses,

Castro Valley Schools and students need your help! The State of California faces an on-going budget crisis, one that has lasted over a decade. This has resulted in a steady reduction in per student spending on our schools. The 2009-2010 school year budget being currently implemented will mean that the Castro Valley Unified School District (CVUSD) per student spending will drop to dead last or close to dead last in the country!

HONOR ROLL

The Fite Family

The Gilchriese Family

Castro Valley residents and businesses are stepping up and attempting to restore \$3.2 million of the greater than \$4.1 million that have been removed from our schools for the 2009-10 school year and beyond. We are asking families and businesses to do their best to donate funds for each student that attends Castro Valley schools. The district desperately needs this money to help keep Castro Valley's high-achieving schools funded at previous levels.
