

Save Our Schools Castro Valley!

"Keep Our Schools Afloat"

Castro Valley schools and students need your help! The 2009-10 budget being implemented by the school district following cuts in state funding will mean that per student spending on our schools will fall to dead last or close to dead last in the country. **That's right, the richest state in the country will now have the poorest schools!** Our kids deserve better!

The Castro Valley School District is currently grappling with over \$4.4 million in funding cuts from the State of California. And, it appears that substantial additional State cuts may be coming in the near future. This will result in many important educational programs being substantially reduced or eliminated across all schools in the district.

Castro Valley's high property values, as compared to neighboring communities, are a direct result of our consistently high performing schools. We all benefit by keeping our schools top notch.

If the Castro Valley community raised just \$350 (less than \$1 per day) for each student in the district, we could restore over \$3 million in funding to the district.

Please donate as much as you can and spread the word about SOSCV!. Funds raised by SOSCV! will be donated to the school district's general fund and will be used to help minimize the impending cuts to our schools' educational program. **All donations are 100% tax deductible** (federal tax ID #26-4525350).

Go to www.SOSCV.org

LESS THAN \$1 PER DAY PER STUDENT will take care of most of this shortfall!
PLEASE DONATE TODAY so that we can help protect tomorrow!

How to Donate

- 1) Donate online at **www.SOSCV.org**
- 2) Mail donation form below to:
SOSCV!
20885 Redwood Road, #195
Castro Valley, CA 94546
- 3) Drop off donation at your child's school office
- 4) Drop off at the school district office:
4400 Alma Avenue
Castro Valley, CA 94546

Save Our Schools Castro Valley!

Donor Information:

Full Name: _____

Address: _____
